

Recycled Bollards

Our hard-working gecoPlas bollards are the ideal choice for durability. We offer three different diameters based on your needs, from 140 mm to 200 mm.

These recycled plastic bollards last five times longer than softwood bollards and need no yearly treatment or maintenance. Ideal for marking out paths, parking areas and restricting access width. Reduce the cost of restoring verges by blocking and directing traffic.

Cogent Bollard

- Premium choice with a commanding 200 mm diameter
- Choice of two colours: brown and dark grey
- Optional co-ordinating ground plates to create a smart and sturdy appearance.

Bollard size (mm): 200 x 1500 (diameter x height)

Ground plate size (mm): 500 x 3 (diameter x height)

Mondo Bollard
