Smartclad Surrounds

Clever Planter Ideas

Smartclad surrounds are a clever way to give extra style and life to any plastic or old style planter; these quality wooden framed boxes are designed to fit easily around any existing planter. The planter is transformed and the sophisticated look of a real wood finish adds to the practicality and durability of any older planters.

Manufactured in hardwood in two standard sizes for our Octagon and Metre Square planters, we can produce a bespoke Smartclad surrounds to fit any of your existing planters. Regardless of size your old outdated looking planter can easily look contemporary and beautiful again. Bring us your old planters; let us make them look new again.

Standard sizes: 1m Octagonal, 1m Square plus made to measure to your requirements.

The Smartclad surround range is available in any of our timbers.
